TO WHOM SO EVER IT MAY CONCERN

This is to certify that, **Ms. Snehal Manohar Nikam, of Apshinge (M)**, was working under me as Office Assistant Apprenticeship from 6th September 2019 to 20th March 2020.

While working in the office, she has obtained experience in Auditing and Taxation matters. As I observed, she was an active person and she could perform all of assigned tasks effectively. During her tenure, we found her to be diligent and hardworking about her work.

I wish her the best in her future career.
