Sir,

Subject: *Report of eMBark 2019 Function.*

It's a pleasure to report that MBA, BBA and BCA students have been organized the eMBark 2019 on 13th Feb. 2019 mega management event and made the event successfully with financial supports from the various sponsorers. So really it is proud to organize.

The said Function was held for one day in our Institute campus for undergraduate Students and post graduate students. There were nine events for day. The events were Sales Executive, Rangoli, Salad Decoration, Face Painting, Treasure Hunt, Solo Signing, Group Dance, Best Executive, Ad Mad Show. 107 students were participated from 13 colleges of Satara and outside Satara in above events and total 161 students of our institutes were worked as student event coordinators and also members of various activities of the eMBark 2019 function.

Overall, participants were more interested to perform in above events to enhance their soft skills so we gave them a chance to perform and appreciated for their performance with certificate.

The respective judges and guests have judged and appreciated the participants and rewarded with certificate. Students who have taken active part into the organizing events need to appreciate with the trophy and certificate by institute.

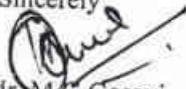

All faculties did their job with sincerity and their capacities and helped to make the event successful on that day. However, as a event co-ordinator managing one day mega event with nine competitions in a day and all plans and decisions were depend on uncertain fund raising through sponsorship collected by the students. It find more stressful. Also the many activities conducted simultaneously in institute and therefore difficulty arises in getting the work done by the students and support from faculty in preparation of the event

The Income raised Rs.134810/- through this programme and Expenses incurred Rs. 118346/- and Rs. 8000/- given for Digit 2019 program and the surplus is Rs.8464/-. We would like to request that the surplus fund of this event should be kept aside to organize the eMBark 2020 so that same problems will not occurred in future at some extent. It is mandatory to take proper measures in arranging the future functions.

I. Event Report

Date: 17 February 2020

To,
The Director,
KBPIMSR, Varye, Satara.

Sir,

Subject: **Report of eMBark 2020 Function.**

It's a pleasure to report that MBA and BBA and BCA students have been organized the eMBark 2020 mega management event and made the event successful without financial support of the institute. So really it is proud to organization.

The said Function was held on 13 February 2020 in our Institute campus for undergraduate Students and post graduate students. There were seven events for each day. The events were Mehandi, poster presentation, face painting, treasure hunt solo signing, group dance, Best executive, treasure hunt, ad mad show. Many colleges of Satara and outside Satara were participated in those events and total 200 students took the opportunity to perform.

It is observed that Treasure hunt, singing and group dance have good response from both undergraduate and post graduate students. Overall, participants were more interested to perform cultural activity so we gave them a chance to perform and appreciated for their performance with trophy and certificate.

The respective judges and guest have judged and appreciated the participants and rewarded with certificate and trophy. Students who have taken active part into the organizing events need to appreciate with the trophy and certificate by institute.

All faculties did their job with sincerity and their capacities and helped to make the event successful on that dates. However, as a event co-ordinator managing two days mega event with seven competitions each day and all plans and decisions were depend on uncertain fund raising through sponsorship collected by the students. It find more stressful. Also the many activities conducted simultaneously in institute and therefore difficulty arises in getting the work done by the students and support from faculty in preparation of the event

The Income raised Rs. 77,500 through this programme and Expenses incurred Rs. 60,677 and the surplus is Rs. 16,823. We would like to request that the surplus fund of this event should be kept aside to organize the eMBark 2021 so that same problems will not occurred in future at some extent. It is mandatory to take proper measures in arranging the future functions.

The details of functions are attached herewith

Thanking You

Yours Sincerely

Dr. M. B. Bhosale
Co-ordinator
