Workshop on Aptitude Test

Workshop Name: Online Workshop on Aptitude Test

Duration: 14 hours (15 topics/lectures)

Lecturer: Mr. Santosh Amande

Dates: Monday, February 13th, 2023 - Saturday, March 18th, 2023

Introduction:

Karmaveer Bhaurao Patil Institute of Management Studies and Research, Satara is proud to present a comprehensive online workshop on Aptitude Test for students and professionals who wish to excel in various aptitude tests. The workshop will be conducted by Mr. Santosh Amande, an experienced educator and expert in the field of aptitude tests. The workshop will consist of 15 topics or lectures.

In today's competitive world, aptitude tests are widely used to evaluate candidates' abilities to analyze and solve problems, make decisions, and think critically. Therefore, it is crucial for students and professionals to have a solid understanding of basic arithmetic, algebra, geometry, probability, and data interpretation.

The workshop on Aptitude Test aims to provide participants with a strong foundation in these areas, as well as logical reasoning skills, which are increasingly important in today's job market. Participants will have the opportunity to learn from an experienced educator, interact with other participants, and receive feedback on their progress.

The workshop aims to provide participants with a solid foundation in quantitative aptitude and enable them to excel in various aptitude tests. Aptitude tests are widely used in various fields such as management, finance, engineering, and more to evaluate candidates' analytical, problem-solving, and decision-making skills. The topics covered in the workshop will range from basic arithmetic to advanced topics

such as probability, algebra, geometry, and data interpretation. Each lecture will include theoretical concepts, examples, and practice exercises to help participants grasp and apply the concepts learned.

The workshop is open to all individuals who are interested in improving their quantitative aptitude skills, regardless of their academic or professional background. Participants will have the opportunity to interact with Mr. Santosh Amande and other participants through online platforms and to receive feedback and guidance on their progress. Upon completion of the workshop, participants will receive a certificate of participation from Karmaveer Bhaurao Patil Institute of Management Studies and Research, Satara.

The workshop will cover 15 topics, which are:

- 1. Number system and Divisibility
- 2. LCM,HCF
- 3. Average
- 4. Time, Speed, and Distance
- 5. Time and Work
- 6. Ratio & Ages
- 7. Partnership
- 8. Mixtures
- 9. Codinig Blood Relation And Direction
- 10.Blood Relation
- 11.Direction Test
- 12. Puzzle & Problem Solving

We hope this workshop will enhance participants' knowledge and understanding of quantitative aptitude and help them succeed in various aptitude tests.

Rayat Shikshan Sanstha Karmaveer Bhaurao Patil Institute of Management Studies and Research, Satara organized five day workshop on **Skill Development** from **Monday**, 13/03/2023 to Friday, 17/03/2023 at 10:00 am to 5:00 pm in the institute. There were 70 boys students from BCA I (Div A and B and C) participated in the Workshop. Dr. S. S. Bhola, HOD Management department, Dr. M. B. Bhosale, Mr. P. G. Salunkhe, Dr. S. R. Nikam, Dr. S. B. Chavan, was the resource person for this Workshop.

On first day Monday, 13/03/2023, Dr. M. B. Bhosale Sir introduced the students with meaning and importance of soft skill in business sector. He conducted few group activities to enhance the creative and critical thinking of the students. The activity was quite challenging to improve English vocabulary, body language, communication skill among students.

On second day **Tuesday**, **14**/03/2023, Mr. P. G. Salunkhe students are taught with applications like Canva, creating Google forms. In another session conducted debate among students in groups on topic like Gender Equality, Ethical vs. Effective. It helps students to develop their convincing skills and listening skills.

On Wednesday, 15/03/2023, Dr. S. R. Nikam Sir informed students about ideal body posture, creating good impression through body posture and gesture. He focuses on improving body language of the students by calling them on stage and making them to speak on different topics. This activity helped to inculcate time management, listening and communication skills among students.

On **Thursday**, 16/03/2023, Dr. S. B. Chavan Sir informed students to create an imaginary story by looking at pictures to make students understand that imagination can differ from person to person but positive thinking is must. This session addressed critical analysis, positive thinking and changing mindset.

On last day Friday, 17/03/2023, Dr. S. R. Nikam Sir informed with organizational structure of companies, various designations, deciding a brand, facing criticism and how it is handled etc.

Workshop is concluded with vote of thanks given by Mrs. S. R. Shelar. All the students are satisfied with the workshop which is evident from feedback received from students.

A Report on "PYTHONWORKSHOP"

"PYTHONWORKSHOP" a4-day Workshop (Hands-on training Programme) on Python, was conducted byBarclays Life SkillsProgramme. AtKarmaveer Bhaurao Patil Institute of Management Studies and Research, Varye, Satara from 23.03.2023 to 24.03.2023. The workshop started with the welcome address by the Dr. Rajendra Kumbhar Sir, Head of the department of Computer application of KBPIMSR, Satara. who welcomed Miss. Vaishnavi Malusare Madam, Trainer fromBarclays Life Skills Programme. Dr. Rajendra Kumbhar Sir, Head of the department of Computer application of KBPIMSR, Satara, addressed the gathering and highlighted the importance of these workshops in the career of any student. Miss. Vaishnavi Malusare Madam, Trainer fromBarclays Life Skills Programmehas designed this workshop to make participants more effective in developing and executing and also to explore the power and simplicity of python. The trainer Mrs. Vaishnavi Malusare mam tech us a lot. she has given the mix of theory and practical knowledge of python Dr. R.D. kumbhar sir inaugurate the workshop also motivated us with their instruction and explain that these kinds of workshop are beneficial for our upcoming placement and technical knowledge.

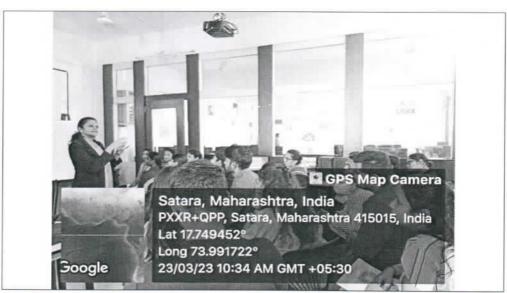

DAY 1

23rd march

Introduction to python and mam was taught us that python is simple programming languages and compared to other programming languages and the following topics are covered.

- 1. What is python?
- 2. Application of python
- 3. Loops and condition in python with programs.
- 4. Python syntax compared to other programming languages
- Python installs
- 6. The print statements
- 7. Comments
- 8. Python data types
- 9. String operation in Python
- 10. Simple input & output and practical on this
- 11. Simple output formatting
- 12. Operators in Python
- 13. Exercise

DAY 2

24th march

on 24th march we learn new concept theory as well as practical are as follows:

- 1. Identification
- 2. Keyword
- 3. Program of time, date, password
- 4. Python program flow, Functions and Modules
- 5. The 'If' statement and its related statement
- 6. Example with 'If' statement and its related statement
- 7. The while loops
- 8. The for loop
- 9. Program to add two matrices using nested loop
- 10. Examples for looping
- 11. Idle
- 12. Errors
- 13. Exercise
- 14. Difference between compiler and interpreted overall session was very informative and totally new for us but we enjoy a lot and follow All the instructions given by our mam.

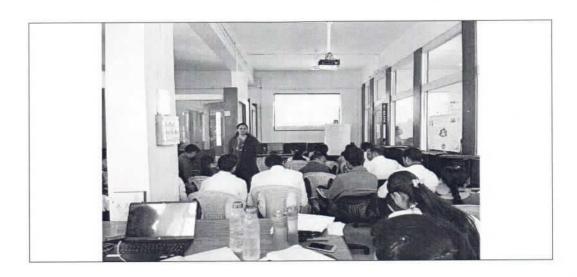

DAY 3

25th march

On 25th march we learnt theory and practical session are as follows:

- 1. What is the data analysis process?
- 2.Importance of dada analysis
- 3.Data analysis
- 4.Two-dimensional list practical
- 5.Data structure in python
 - •List
 - •Tuple
 - Dictionary
 - ·Set
 - ·Open practical
 - •Username
 - •Password programme ran successfully true
 - ·And false related programmes slicing
 - ·Pandas

With the help of programming, we all calculate body mass index with particular formulae.

DAY 4

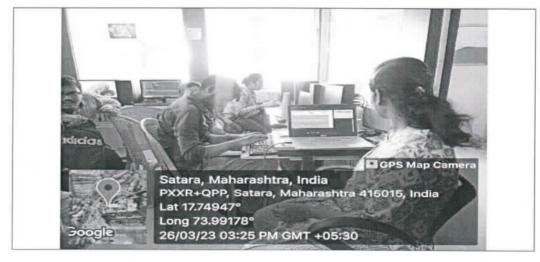

26th march

Regular expressions

- Dice
- Split
- Whether
- Static files

- Password coding
- Dictionaries
- Birthdate function
- Recruitment process and exercise
- List function
- Numerical Python as NumPy
- Creating notepad list and save
- Decision making
- Exercise with case

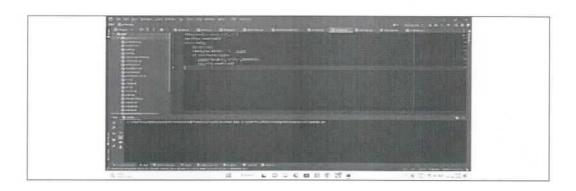

Some practical work done by students

·Objective of Workshop-

To equip the students with varieties of activities in Python

Programming Language.

To strengthen students' visualization.

Preparing mind-map.

- •Reflections (From Students)-
- It is easy readability programming language.
- JAVA, C++ these are tough to understand and for coding but students get comfortable with this language.
- Managers need to know about Python for future improvement.
- It is an excellent language for new-age technologies and concepts such as Big Data, Machine Learning, Data Analysations, Visualisations, etc.
- By Python we can do Data analysis.

Thank You
